**Can You Design a Website for the TLC?**

Brothers and Sisters.

The Three Links Camp, east of Sonora, has made substantial progress in providing a great experience for group rentals, RV campers and tent campers. It has a beautiful location in the mountains. Our next step is to create a website to help us better compete with other campgrounds in the area.

We are looking for an Odd Fellow who can assist us with creating a website. Do you know anyone who can help us?

Please contact us if you can help us. Fred Dolling is the Chair of the Three Links Camp Committee. He can be reached at [freddolling@gmail.com](mailto:freddolling@gmail.com)

Thank you for your attention to this matter.

In F L & T,

*Dave Reed*

Grand Master
